

Good afternoon,

It's our third, of three, short weeks in a row. I hope everyone enjoyed the solar eclipse yesterday. The students sure had lots to say about it! 😊

**L.A.:**

- Home Reading everyday. Our Home Reading Goal this month is 12.
- Sign and return Spelling Test #21. There are corrections for your child to complete.
- Spelling Test #22 will be Monday April 15th. It is list #22 in the pink booklet, words #1, 3, 4, 5, 6, 7, 8, 10, 11, 12.

**Math:**

- As we progress through our Math concepts addition and subtraction fluency become more helpful. The easier these facts are for your child the faster he/she will be able to figure out other Math problems. Flash Cards or Reflex Math are good ways to help your child with his/her +/- fluency.

**Français:**

- Lecture maison, veuillez écrire le nom du livre sur la feuille de lecture dans le duo-tang vert.
- Cahier des sons - le son "w" page 32.

**General Information:**

- Green Team is collecting empty, rinsed out, cans that have a consignment on them.
- The school is still collecting pop can tabs.

Have a good week,  
Ms. Reynolds
