

Good morning,

I am looking forward to seeing everyone tonight at their scheduled time.

**L.A.:**

- Home Reading everyday. Our Home Reading Goal this month is 5. Raz-Kids reading can be used for home reading. Please record the name of the book that your child read in the Home Reading Log.
- Spelling Test #10 will exceptionally Thursday December 7th, list #10 in the yellow booklet.
- Sign and return Spelling Test #9. There are corrections on it, if you would like your child to do them to help him/her with his/her printing. The explanation for the marking is at the beginning of the Spelling Test booklet.
- We have started using an online game to practice our sounds. It is called "Teach Your Monster to Read" it can be found on my website under Websites. The login information is in the back of your child's agenda. Another website that we use in class is called "Dance Mat Typing". It is designed to teach people to type without looking at their fingers.

**Math:**

- We have been working on Addition, Subtraction, Bigger than and Less than. I am sending home a review sheet for your child to practice. The more easily they recognize the + and - symbols the better it is for future Math concepts.
- Playing games that involve numbers and the concepts of counting on or numbers getting bigger or smaller, will help your child's number sense. Some examples are Knights and Castles, Go Fish, Snakes and Ladders.

**Français:**

- Lire le Cahier des sons p. 21-22 (duo-tang vert)
