

Good afternoon,

Thank you to everyone who has been looking over the evaluations with their child and returning them to me. There are still a couple more things coming home this week as well. The end of term is like that, I suppose. 😊

**L.A.:**

- Home Reading everyday. Our Home Reading Goal this month is 12.
- Sign and return Spelling #17. There are corrections for your child as well.
- Power Word List #1 Evaluations are going home today. Your child either moved on to practicing and learning list #2 or was asked to continue practicing list #1. If this is the case, we'll try to the reading and the writing of list #1 again soon. Please sign and return these evaluations.

**Math:**

- We are working on adding and subtracting Math facts. Practicing these with flash cards or in fun ways at home will help your child. We have also started using a Website to improve our fluency with our addition and subtraction facts. It is called Reflex Math. The login information is in the back of your child's agenda, should you wish to have your child use it at home as well. We use it once a week in class.
- Please sign and return the Math Evaluation sheet.

**Français:**

- Lecture maison, veuillez écrire le nom du livre sur la feuille de lecture dans le duo-tang vert.
- Cahier des sons - le son "p" page 27.

**General Information:**

- Wednesday is a Field Trip. Please send your child to school dressed to spend extra time outside. 😊
- Green Team is collecting empty, rinsed out, cans that have a consignment on them.
- The school is still collecting pop can tabs.

Have a good week,  
Ms. Reynolds
