

Good morning,

We are skating Wednesday afternoon. Please remember to send your child with his/her skates, helmet and water bottle with his/her name on it. Please make sure that the socks you send go up high enough to protect your child's leg/ankle from the skate. Please also make sure that the tuque your child has for skating fits under his/her helmet. If possible, please send the skates and helmet in a cloth bag. If not, we will use your child's school bag.
