

Good morning,

The time change may make this a more difficult week for us. We'll use our perseverance and work through it.

L.A.:

- Home Reading everyday. Our Home Reading Goal this month is 10.
- I have introduced Raz-Kids reading. It can be used for home reading as well. You can record the name of the book in the Home Reading Log.
- Spelling Test #5 will be Tuesday November 7th, list #5 in the yellow booklet.
- Sign and return Spelling Test #4. There are corrections on it, if you would like your child to do them to help him/her with his/her printing.
- Spelling Test #6 will be Monday November 13th, list #6 in the yellow booklet.

Math:

- I am seeing that some of the students are having trouble with naming bigger numbers again. Please review this with your child by playing games or pointing out numbers in your daily lives.
- The students have learned how to play a card game called "Knights and Castles". When we play at school we use only the cards Ace to ten, however, the Jack can be worth 11, the Queen worth 12, the King worth 13 and the Joker worth 14, if you do not want to take them out of the deck. Please ask your child to teach you the game.

Français:

- Lire le Cahier des sons p. 13-14 (duo-tang vert)

General Information:

- Poppies will be sold this week as a donation to the Legion.
- If you have not already signed and returned the Math problem "Amanda's Sandcastle" and the blue sheet that accompanied it, please do so. Thank you.

Have a good week,
Ms. Reynolds
