

Good morning,

This will be our first full week of school! I'll be able to send home our schedule, so that you have an idea of what subjects your child has everyday, by the end of this week.

Wednesday September 13th is our Curriculum Night. It starts with the General Assembly at 6:30pm and there are two sessions for you to meet the teachers teaching your child or children this school year. I'll be explaining how our classroom works and the expectations for this year. I hope to see everyone there.

Friday students are invited to wear polka dots to celebrate "Dot Day".

Have a good week,
Ms. Reynolds
