

Good morning,

This is my way of sending you the important information for the week. I send out an email, usually on Mondays, unless Monday is a holiday, then I send it out on the first day of the school week. In this email I include upcoming activities and important dates. I also include any practicing or reviewing that I would like you to do with your child. I'll explain this in detail at our Curriculum Night, Wednesday September 13th. I look forward to seeing everyone at one of the two sessions on that evening.

For the moment, I would like to mention that Friday of this week is our Picture Day. Please send your child to school dressed for his/her photo.

Since this is the first time that I am sending you an email, could you please confirm that you have received it? In future I won't ask you to confirm each email, I just want to make sure that my system is set up correctly and that I have not missed anyone. Thank you.

Have a good week,

Ms. Reynolds
