

Dear parents,

Thursday August 31st, 2023

Welcome to a new school year! In case we haven't met, my name is Amanda Reynolds Hamelin (the students call me Ms. Reynolds). I am very happy to be teaching your child in grade one this year!

I'm sending your child home with a B.E.E. Bag today. I'll explain its function more at our Curriculum Night, however, please return the B.E.E. Bag to school daily. For now, in the B.E.E. Bag, you will find an agenda and a letter explaining the ideas behind the B.E.E. Bag, in the Communication Folder. The agenda is one of the ways that you can communicate with me this year. Please also feel free to email me at [areynoldshamelin@swlauriersb.qc.ca](mailto:areynoldshamelin@swlauriersb.qc.ca).

In the weeks to come I'll also be sending home a schedule in the B.E.E. Bag. This year Phys. Ed. will be on Wednesdays and Fridays. Please dress your child for Phys. Ed. (jogging pants or shorts, t-shirts, socks, etc.) on those mornings. It is important that your child has a pair of running shoes to wear in the school, especially on Phys. Ed. days. As much as possible, please have shoes that your child can put on and take off by him/herself.

I look forward to seeing everyone at our Curriculum Night happening Wednesday September 13th. On Curriculum Night I'll be explaining the functioning of our classroom and the expectations for this school year, in more detail.

Sincerely,

Ms. Reynolds
